HONORS AND AWARDS

- "Class Act of 2004," honored by *Money Magazine* for work on auto lending discrimination, January 2005
- Moskowitz Prize Honorable Mention for outstanding research in the field of socially responsible investing, 2004
- Dean's Award for Research Productivity, Owen Graduate School, 2003
- Dean's Award for Teaching Excellence, Owen Graduate School, 1994 and 2001
- Invited Speaker, Kennedy-Owen Economics Symposium, University of the South, October 1996 (lectures on law and economics of the environment and tort law).
- Alternate Faculty, Richard D. Irwin/Beta Gamma Sigma National Seminar, Oct. 1991.
- Cash award for work on Fuel Economy Advertising Guidelines, FTC (1985).
- William Larimer Mellon Ph.D. Fellowship (1980-83)
- Beta Gamma Sigma Honor Society (1992).
- National Political Science Honor Society (1978).

RESEARCH GRANTS

- National Commission on the BP Deepwater Horizon Oil Spill and Offshore Drilling, 2010-11. "Preventing Future Catastrophic Oil Spills." Principal Investigator. \$400,154.
- Sloan Foundation, 2008-9. "The World's Forest: Design and Implementation of Effective Measurement and Monitoring." Member of research team. \$365,000.
- Pew Charitable Trusts, Partnership for America's Economic Success, 2008, "The Monetary Value of Early Childhood Interventions," Principal Investigator. \$48,000.
- European Commission, 2007-2008, "Mainstreaming Methodology for the Estimation of the Costs of Crime," Member of Research Team based at Univ. of York (UK). € 677,841.
- YouthBuild U.S.A., 2007, The Monetary Value of Saving a High Risk Youth – A Ten Year Update," Principal Investigator. \$37,000.
- U.S. Department of Justice, National Institute of Justice, 2006. "Development of a 'Quality of Life' Index for U.S. Urban Areas." Principal Investigator. \$75,882.
- U.S. Department of Justice, National Institute of Justice and United States Sentencing Commission, 1999-2000. "Measuring Public Perception of Appropriate Prison Sentences." Principal Investigator. \$251,811.
- W. Alton Jones Foundation, 1996-7. "Does it Pay to be Green? The Relationship between Environmental & Financial Performance." Principal Investigator. \$63,000.
- U.S. Department of Justice, Office of Justice Programs, 1995. Prepare paper on the social cost of a high-risk youth. \$5,280.

- National Pollution Prevention Center, 1995-6, "Pollution Prevention Marketing Compendium" Principal Investigator. \$15,000.
- Department of Energy, 1995-7, "Reuse of Concrete from Contaminated Structures through Environmental Management - A Case Study Approach," (one of four faculty members on research team). \$350,000.
- Research Contract: Washington Technical Information Group, Inc., 1993-1994 "The Role of Alcohol Consumption in Violent Behavior," Co-Principal Investigator with Mark W. Lipsey, Vanderbilt University. \$140,358.
- Grant: National Institute of Justice, 1991-1992. "Estimating the Costs and Consequences of Criminal Victimization," Co-Principal Investigator with Ted R. Miller, Urban Institute. \$275,000.
- U.S.-Japan Center for Technology Management, Vanderbilt University, research in Japan on government policy towards environmentally sound manufacturing, 1993.
- University Research Council Grant, Vanderbilt University, 1993, 1995, 1997.
- Summer Research Grant, Dean's Fund for Summer Research, Owen Graduate School of Management, Vanderbilt University, 1987-2008.
- Attended LEC Law Institute for Economists, George Mason University School of Law, 1987, (two week intensive course on the American legal system).

PROFESSIONAL ACTIVITIES

- Member, External Assessment Panel, ExxonMobil Corporate Citizenship Report, 2009-2010.
- Member, Stakeholder engagement panels, providing input on sustainability strategy and reports, Toshiba (2009) and Hitachi (2009)
- Advisory Committee, Behavior, Energy and Climate Change Conference, 2009
- Economic Experts Panel, John D. and Catherine T. MacArthur Foundation, "Models for Change Research Initiative," 2009.
- Program Committee Organizer (Cost-benefit analysis), American Society of Criminology Meetings, 2007
- Economic Experts Panel, John D. and Catherine T. MacArthur Foundation, "Estimating Economics Impacts of *Safer Return* – A Community Empowerment Reentry Initiative," 2006.
- Member, National Institute of Justice, Review Panel for Establishment of a Center for Excellence in Civil Justice, 2005.
- Member, U.S. EPA Science Advisory Board, Illegal Competitive Advantage Economic Benefit Advisory Panel, 2004-5.
- Member, General Accounting Office, Expert Panel on Disclosure of Environmental Information in SEC filings, 2004.
- Member, Program Committee, 2002 BELL Conference (Business Environment Learning Leadership), sponsored by World Resources Institute, July 2002.
- Member, Planning Committee, "Capital Markets and Environmental Performance" Workshops sponsored by U.S. Environmental Protection Agency, 2000-2006.
- Program Chair, 2000 BELL Conference (Business Environment Learning Leadership), sponsored by World Resources Institute, July 2000.
- Member, Steering Committee on Environmental Justice, Tennessee Department of Environment and Conservation (also serve as Chairman of the Steering Committee's Working Group on "Methods and Tools"), 1999-2000.

- Program Committee Organizer (Criminal Law), American Law and Economics Association Annual Meetings, 1999.
 - Publications Team Member, Organizations and the Natural Environment Interest Group, Academy of Management, 1998-1999.
 - Member, Subcommittee on Public Order and Safety, "1999 Guide for Community Improvement," Nashville Chamber of Commerce, 1998-9.
 - Member, Commission on Law Enforcement and Justice, 1997-98 [Ad hoc Committee established by Mayor to recommend a plan to reduce violent crime in Nashville.]
 - Member, Excellence Awards Selection Committee, DuPont Safety, Health and Environmental Excellence Awards, 1997.
 - Academic Advisor, Future Business Leaders Project, Corporate Conservation Council, National Wildlife Federation, 1997.
 - Member, Quality of Life Technical Advisory Team, Tennessee Environmental Priorities Project, 1994-1995
 - Member, Committee on Law and Justice, American Statistical Association, 1990-1995
 - Associate Consultants Panel, Journal of Criminal Law and Criminology, 1990-1994.
 - Peer Reviewer, National Institute of Justice, Technical Assistance Program, 1990-date
 - Member, Cost of Domestic Violence Roundtable, sponsored by Rockefeller Foundation and Victim Services, 1995-1996
 - Chairman, Methodological Review Panel on Estimating the Cost of Drug-related Crime, American Statistical Association Committee on Law and Justice Statistics, 1991
 - Review Panel Member, Bureau of Justice Statistics, U.S. Department of Justice, reviewer for "Drugs, Crime and Criminal Justice," 1991
- Member: American Bar Association (Associate); American Economic Association (AEA); American Law and Economics Association (ALEA); American Society of Criminology (ASC); American Statistical Association (ASA); Association of Environmental & Resource Economists (AERE); European Association of Environmental and Resource Economists (EAERE); European Association of Law and Economics (EALEA); National Association of Forensic Economists (NAFE)

Journal of Economic Analysis & Policy; Violence Against Women; others.*

Research Programs: *Bureau of Justice Statistics, U.S. Dept. of Justice*
- *Economic and Social Research Council, U.K.*

- *European Science Foundation*
- *Management Institute for Environment & Business*
- *National Institute of Justice, U.S. Dept. of Justice*
- *National Pollution Prevention Center*
- *National Science Foundation (Economics Program)*
- *National Science Foundation (Law and Society Program)*
- *Swedish Environmental Protection Agency*

CONSULTANT

Federal Trade Commission (2001-2005)

- analysis of predatory lending practices and other policy issues

University of Kansas (2001-2003)

- assist in study of corporate environmental performance and government intervention, funded by Environmental Protection Agency

British Home Office (2002)

- review of cost of crime studies

University of Maryland (various projects between 1999 and 2006)

- assist in cost benefit analysis of boot camps; NIDA funded cost-benefit study of substance treatment program; NIJ funded study of corporate environmental performance and the effectiveness of government interventions,

Lodestar Management/Research (1999)

- assist in cost-benefit analysis of anti-gang program in California

FAST Track Project, Duke University (1996)

- assist in developing cost-benefit analysis for longitudinal study of adolescent antisocial behavior; funded by U.S. Dept. of Health and Human Services

National Public Services Research Institute (1993, 1996)

- analyze pain and suffering awards for consumer product injuries for CPSC

University of Michigan Transportation Research Institute (1989-1990)

- compare cost of crime to auto crashes

Litigation Consulting

Monetary damages in personal injury, wrongful death, business valuation;
Statistical analysis of discrimination (employment, insurance, loans, etc.);
Valuation of class action lawsuit settlements; Antitrust analysis; Environmental compliance issues, monetary fines for noncompliance

Other Business-related Consulting (examples):

- Special Litigation Committee reporting to Board of Directors on whether to pursue derivative lawsuit alleging breach of fiduciary duty by officers & directors
- Briefed major alcohol manufacturer on role of alcohol in violence
- Defined “sustainability” and explored implications for a worldwide manufacturer.
- Assisted beverage manufacturer in preparing comments on draft U.S. Sentencing Commission Guidelines for corporations convicted of Federal crimes.
- Assisted international claims recovery firm in developing statistical evidence of magnitude of fraud for purposes of litigation.
- Market research and feasibility analysis of new service product development
- Consulted with mid-sized company on advisability of brand name extension.

MEDIA

Environmental Crime and Punishment

Research has been cited in major legal and business publications such as Wall Street Journal (1991, 1994), Nation's Business (1992), Chemical Week (1992) and National Law Journal (1993). It has also been cited in specialized trade newsletters (such as Hazardous Materials Intelligence Report, 1992). Quoted concerning recent government report on prosecution of corporations for environmental offenses: Boston Globe (1999).

Environmental Management, Corporate Social Responsibility and Financial Performance

Study with *Investor Responsibility Research Center* (1995) has been cited by numerous print media, including Washington Post (1995), Austin American-Statesman (1995), Greenwire News Service (1995), and numerous regional newspapers and trade press. Interviewed on National Public Radio show "Environment," broadcast on over 200 public radio stations around the country (January 1996). Study with *Shameek Konar* on *Toxic Release Inventory* (1995) featured in article in Community & Worker Right-to-Know News (March 1996). Quoted in Wall Street Journal on viability of electric vehicle markets (February 1999). Quoted on aspects of **corporate environmental reporting**: Continental (December 2000), Green Business Letter (November 2001). Quoted on the value of good community relations: Continental (December 2002). Paper on **socially responsible investing** (w/Nick Bollen) cited and quoted in Wall Street Journal (2005) and mentioned on National Public Radio show "Morning Edition" (2005). Quoted in Christian Science Monitor (2005) on ethical investing following a natural disaster. Quoted in Chief Executive (2008) article, "Its Not Easy Being Green." Quoted in Tennessee Business (2008) article about 'greening' of MBA programs. **Deepwater Horizon Gulf Oil Spill**: Interviewed on potential cost of spill to BP, National Public Radio show "Marketplace" (2010). Interviewed on BP's agreement to set up \$20 billion escrow fund, National Public Radio show "Morning Edition" (2010). **Blog Posts** on energy and environmental issues on RFF's climate policy blog www.weathervane.org, and the National Journal's Energy and Environment Expert Blog, www.energy.nationaljournal.com, 2009-date.
